Enjoy the splendid view as you pass through the Baralach La Pass. Keep riding towards Sarchu which is the border line between Kashmir and Ladakh. Relax for the rest of day and keep a high intake on fluids to keep away AMS (acute mountain sickness). Stay overnight in camp in Sarchu.

### *Day 3: Sarchu to Leh, 260 kms*

After an early breakfast, we leave for the last leg of our onward journey towards Leh, crossing Gata Loops, the 21 hair pin bends, giving you the chance to ride on all types of road i.e tarmac, stony, quick and unbelievable U turns. You will actually get to know as to why this road is often called by many as the "Highway to Hell". We pass through Skyangchu Thang (a vast plateau stretching for 42 kms) and then cross Tanglang-La (17,585ft) to reach Leh by evening. Check in to your hotel and relax overnite in Leh.

### *Day 4: Leh to Nubra Valley, 150 kms*

We make a left turn at Durbuk, and after passing Tangtse, the stunning first glimpse of the world-renowned Pangong Tso awaits. We will spend the night at lakeside camps, providing us with an exciting opportunity for true off-roading and water crossings. This route also allows us to save a day, letting us ride alongside the beautiful Shyok River. We will spend the night at the Pangong camp.

### *Day 6: Pangong to Hanle, 250 kms*

On this day of the tour, you get to explore the road leading to the highest observatory of the world. Enroute Hanle, you will visit Rezag La war memorial at Chushul, as you go from Pangong towards Nyoma. You can also enjoy star gazing under the roof of milky way galaxy at Hanle. The high altitude, clear skies, and minimal light pollution make it an ideal location for astronomical observations. The observatory hosts a range of telescopes, including the Himalayan Chandra Telescope, enabling scientists to study and explore the vast expanse of the universe. Night stay at Hanle.

### *Day 7: Day trip to Umling La Pass, 220 kms*

You'll feel the rush as the fine sand of the valley flies under your wheels. Once you reach the well-paved road at Nurbu La top, soak in the stunning scenery as you ride along the Kingdul River. Unlike typical high mountain passes, you won't see any scary valleys here. And when you finally hit the peak and your bike starts to lose steam, snap a victorious pic at the top of the world! And just like that, we'll be rolling into our hotel in Leh, ready to kick back and relax after one heck of a journey.

## *Day 9: Leh to Kargil, 220 kms*

The journey from Leh to Kargil is akin to traveling down a runway and marks the initial leg of the day's adventure. As you transition from the predominantly Buddhist Leh to the Islamic-majority Kargil, embrace the symbolic change. Along the way, we will visit the Hall of Fame, offer prayers at Gurudwara Pathar Sahib, marvel at Magnetic Hill, and witness the confluence at Sangam, all while heading towards the highest monastery in Ladakh, Lamayuru Monastery. Continue your ride to cross Zoji La and descend into Sonmarg, leaving behind the arid, dry, and vegetation-less yet stunning landscapes of Ladakh. You will be welcomed by the lush greenery of Sonmarg, one of the most breathtaking regions in "Heaven on Earth - Kashmir."
