# ROUTE PLAN

## DAY 03

After an early breakfast, we leave for the last leg of our onward journey towards Leh, crossing Gata Loops, the 21 hair pin bends, giving you the chance to ride on all types of road i.e tarmac, stony, quick and unbelievable U turns. You will actually get to know as to why this road is often called by many as the “Highway to Hell”. We pass through Skyangchu Thang (a vast plateau stretching for 42 kms) and then cross Tanglang-La (17,585ft) to reach Leh by evening. Check in to your hotel and relax overnite in Leh.

## DAY 04

On the fourth day of this tour, you can enjoy Leh as a place. After a hearty breakfast, set out for local sightseeing, exploring Leh and the neighboring attractions, visiting Shanti Stupa, Leh Palace and local market. This day is at your leisure. Give proper rest to yourself and your beasts for the later part of the trip. In the later part of the day, check and gear up the bikes as necessary and get ready for the adventure that is to follow the next day.

## DAY 05

Gear up and speed off on the smooth tarmac to meet the board showing “The Highest Motorable Road in the world” at Khardung La Pass. After taking a break for photo session on this high pass to the Nubra Valley, we head towards Khardung village where you can have a quick break for tea and snacks. We proceed towards Nubra Valley as we cross the Khalsar and Diskit sectors.

## DAY 06

Ride towards the Turtuk Village, the last Indian village before the border line with Pakistan. Being part of the Baltistan region of the Himalayas, it is one of the last village on the indian side of LOC, being part of 5 small villages to fall in the Indian Territory. This small village, native to the Balti people, is very popular for the fruits grown in this region, especially Apricots. Come back to stay the night at Nubra.

# ROUTE PLAN

DAY  
07

From Nubra Valley, we head towards yet another fascinating place, Pangong Lake via Shyok route. We take a left from DURBUK. After crossing Tangtse, you will see the first view of world famous Pangong TSO. Spend the night at lake side camps. This gives us an additional opportunity to ride/drive as real off roading and experience water crossing. This also saves a day for us and we get a chance to ride along the SHYOK RIVER.

DAY  
08

After spending an unforgettable night on the bank of Pangong TSO, post breakfast we head towards Leh. Enroute we will cross the Changla Pass ( 3rd highest motorable pass), have a quick break at Karu for refreshment. Visit Shey monastery, Thikshey monastery and Rancho School. Reach Leh by early evening and check in at the hotel. Overnight stay in your hotel at Leh.

DAY  
09

The road from Leh to Kargil resembles a runway and constitutes the first part of the day's journey. As you traverse from Leh, a Buddhist dominant area to Kargil with an Islamic dominant population, feel the symbolic transformation. We stop at Hall of Fame, pray at Gurudwara Pathar Sahib, magnetic hill, and Sangam, as we ride towards the highest monastery in Ladakh, Lamayuru monastery. We cross the Fotu La, before halting at Kargil for the night.

DAY  
10

Begin riding and cross Drass - the second coldest inhabited place on earth and visit the Drass war museum to pay respects and pray for the peace of the brave souls of the valiant jawans who fought and sacrificed their lives during the Kargil war of 1999. Ride to cross Zoji La and descend down to Sonmarg while leaving behind the arid, dry and vegetation - less yet picturesque Ladakh to be greeted by the starkly contrasting greenery of Sonmarg, one of the most beautiful parts of the "Heaven on Earth - Kashmir". Visit the Dal Lake for a shikara ride, the Mughal Gardens, the Shankracharya Temple and other tourist attractions on reaching Srinagar. Overnight halt at Srinagar.
